

# Special Initiative Awards Application Form

## Application Form

Applications should not exceed 4 pages and must include:

- **Principal Applicant Details:** title name, contact details
- **Promoting Research Collaboration** (how will this initiative enhance research activity and promote collaboration in speech science technology?)
- **Nationally Competitive Process** (details of nationally competitive grant: Scheme, Chief Investigators, Partner Organisations, Matching Funds, Grant Title and Summary)
- **Benefits to ASSTA members** (how will this initiative benefit ASSTA members, which ASSTA members will benefit the most or will all members benefit equally?)
- **Deadline (optional)** (allow up to 4 weeks for a decision to be made, otherwise please specify a deadline before which a decision is required)

**IMPORTANT CONDITIONS:** Applicants who have been awarded a Special Initiative Award must acknowledge ASSTA as a partner organisation (or equivalent) and succeed in the nationally competitive process to claim the award.

## Applicant Declaration (to be completed by applicant)

I declare that the information given on this application and all attachments provided are true and accurate records and statements and I authorise ASSTA to verify any facts. I understand that if any information is found to be false this application and/or any subsequent awards may be cancelled.
